THE ELECTION.

The election in the South, with the exception of West Virginia and possibly Tennessee, was satisfactory to the Democrats. In the North and West there was a land slide in favor of Republicanism. Virginia did as well as could have been expected. The Democrats elected nine out of ten Congressmen. Appomattox did well. Bucking ham gave Yost a majority, but the Democrats held it down to smaller figures than we dared hope for.

Take as a whole the election was a Republican victory, but let not the believers in low taxes and local self-government become discouraged. It is but the loss of one battle in the great war the Democracy has been fighting for the peoples' rights.

APPOMATTOX.

The people of Appomattox have much to congratulate themselves upon in the fact that our gallant little county gave a Democratic majority. We will not soon again have such a fight as the one just ended, and victory now is a guarantee of easy victories in the future.

The Democratic organization was of the first order and accomplished splendid results. Where so many did so well comparisons would be odious. Chairman Button's assistants all did well. Too much cannot be said in praise of Mr. Button's powers of organization. The bulk of the work of the canvass fell upon him and he did it to perfection.

THE WALTON LAW.

The opponents of the Democratic party regard the Walton-Election Law was passed for a fraudulent purpose. They knew this was false. It was a false issue raised with the hope of coeling the Democratic party votes. The election has been held under this law. It was the most quiet and orderly election held in this county within the recollection of the oldest inhabitant. No fuss, no

no money at the Polls and above all the most blatant Republican cannot claim that the law was not executed in a perfectly fair and honest manner.

At many of the precincts the colored voters did not call on the special constable for assistance, but at some they did and at these places the assistance was given as asked for.

From all over the county and State we hear nothing but words of commendation as to the practicable operation of the new election law.

THE THIRD PARTY.

The lesson thing that is perfectly evident from the election in the county of Appomattox and that is the Populists of Republican antecedents are still Republican and not Populists. The Third party people of Democratic antecedents voted for Cocke; those who had been Republicans turned their backs on the nominee of the Populist party and voted, with rare exception, for J. Yost.

There are many honest men, who in a contest between Republicanism and Democracy are Democrats, but who have been led off by the Populists to voting against the only true party of the people. These men ought to have their eyes opened by the conduct of the Republican-Third party men in this contest. They pretend to be Populists, but when voting time comes a Republican ballot goes in.

The Populists party has some good ideas and many good men, but as a whole their views are impracticable and as a party it has seen its day.

Let the Democrats who have become Populists return to their first love, and stand by it for the sake of themselves, the material prosperity of their State, and their children and generations after us, that it will suffer if this party ever goes down to defeat.

ONE object of the Australian election law, and the most important one, was the emancipation of colored voters from the tyranny of the Precinct and Church bosses. They can now vote as freemen. If it accomplishes this high object God speed it.

The enemies of Senator Martin have been criticising him most severely on the supposition that he sent $5.00 to aid in securing the nomination to Congress in the 6th district of Maj. R. T. Otey. It now turns out that the Senator had no hand in the nomination of Maj. Otey, but the $5,00 was sent by State Senator Miller, of Lynchburg, one of Maj. Otey's many warm personal friends. The enemies of Senator Martin are determined to damn General Lee for all time to come, for he must bear the odium of the many unjust, undemocratic and vicious charges which are constantly being hurled at the door of the Senator.

Our people are much indebted to Mr. Don P. Halsey, of Lynchburg, for the splendid canvass he made in Appomattox during the past week.

The following taken from the Lynchburg Advance is true and well merited:

APPOMATTOX, C. H., VA., November 5.—(Correspondence.)—The work of Don P. Halsey in Appomattox during the campaign has been not only brilliant but highly beneficial in its effects upon the voters. He has spoken at Concord, Chap, Spout Springs and many other places, and a marked improvement in the political aspect of the county has been noticeable. In company with Col. R. B. Poore and Hon. H. D. Flood, his canvass has been through and successful, and the people will look forward with pleasure to the coming of another time, when they may listen to the good Democratic words of this talented speaker.

The spirt of apathy which has distinguished the people for the past few months, has almost entirely disappeared, and this zeustn, to a great extent, may be accounted due to the noble efforts of Mr. Halsey.

NERO fiddled while Rome burned, Cleveland fished while the Money power marched to victory over the bleeding rights of the people.

THE man who is more responsible than any other for the stunning defeat received by the Democratic party on Tuesday is named Grover Cleveland.

On Tuesday, November 6th, Dr. Robt. M. Davis, of Evergreen, departed this life.

Friend after friend departs
Who hath not become a stranger?
There is no form here of loveliness
That fears not here an ending.

Dr. Davis was a man of the most sterling integrity of character and loyal devotion to his friends. His character and his friendship resembled the majestic oak in their strength. He was a physician of high standing, and a christian gentleman without blemish. It seems hard that one who could do so much good and give so much pleasure in the world should be called to another. But the Master in his wisdom called him, and the spirit of our friend passed from this life of trial, affliction and sorrow, to the land of everlasting joy and happiness. With his bed encircled by loving friends his lamp faded out so peacefully that it was scarcely noted when his spirit winged its flight to the God who gave it.

Wife, brother, friends, Blessed are they that mourn, for they shall be comforted." Who does not mourn? Who goes through life without the shadow of sorrow and the stroke of bereavement? But when there is love in the heart there are rainbows in the eyes which cover every black cloud with gorgeous hues.

Relief from Hood's Sarsaparilla Wonderful and Permanent.

"C. I. Hood & Co., Lowell, Mass.:

"I had kidney trouble and severe pains in my back, which was brought about by a cold contracted while in camp as Lieutenant in 1865. I have been troubled more or less since that time. Last winter I had the grip, and after it was over, much has my sitting. I received only temporary relief from medicines. Last spring I had an attack of the grip, which left me with

physically, in fact my system was completely run down. I tried a bottle of Hood's Sarsaparilla and it made me feel so much better that I continued taking it, and have taken six bottles. It has done wonders for me, as I have not been so free from my old pains and troubles since the
